Ripon Community Fund

The Mission of RCF is: Enhancing the community's quality of life through philanthropic contributions.

The Ripon Community Fund continues to be a strong leader in philanthropic efforts within the Ripon community. They support schools, families in crisis, children's charities, and numerous local civic efforts and causes that uplift the community as a whole.

Camp Taylor, Inc.

The Mission of Camp Taylor is to create positive, life-affirming experiences in the lives of children fighting heart disease.

Every year in the United States, 40,000 babies are born with heart disease; it is the number one birth defect. Since Camp Taylor's inception in 2002, they have served thousands of children suffering from heart disease. A predominate percentage of attendees come from Stanislaus and San Joaquin counties. With the addition of Camp Taylor's new permanent camp property located in Modesto they continue to grow and provide a beacon of hope to children
