

Employee Giving

Workplace giving is an easy and effective way for employees to support Camp Taylor. No matter the size of your contribution, your dollars add up to make a difference in the lives of children living with heart disease.

Corporate Giving

Support Camp Taylor through your company's annual corporate giving campaign. It is a convenient way to give your contribution through regular payroll deductions.

United Way

Does your workplace participate in a United Way campaign? Then you can designate your pledge to Camp Taylor through United Way's Donor Choice Program. Simply follow the instructions on your pledge card, or write-in our name and address. Contact your human resources department or local United Way agency for more detailed instructions about giving a gift to us through a United Way campaign.

Matching Gifts

Many companies have matching gift programs that will double or even triple charitable contributions made by their employees. Find out if your company will match gifts to Camp Taylor by contacting your human resources department.

Volunteer Match

When you volunteer at Camp Taylor your company may make a financial contribution on behalf of the time you spend helping us. This is called a volunteer grants program, and you could earn \$100 to \$500 in grants for Camp Taylor. To get more details, contact your human resources department.
