

## **Coins 4 Campers**

**Help CHANGE the lives of children with heart disease!**

### **Every Coin Counts!**

Got change? Camp Taylor has a simple way for everyone to share in the joy of helping children in need – it's our "Coins 4 Campers" campaign!

### **Here's how it works:**

- Host a coin drive in your home, organization, business or school that motivates people to bring in their spare change.
- A Camp Taylor representative will be available to attend any kick-off activities or assemblies.
- Camp Taylor will provide coin collection jars.

Call our office to host a "Coins 4 Campers" coin drive and help make a difference in the life of a child with heart disease!

**For every \$800 raised another child gets to attend camp at no cost to their family!**
